

The X721 France team will take part in the UAV Show in Bordeaux a European professional trade show for drones

Programme at our stand:

- 👉 Overview of the Heliblade and Its Features
- 👉 Video of the prototype's test flight validating the concept
- 👉 Personalized interactions with our experts:
To discuss the project's progress, its market potential, our financial and operational capacity needs for industrial scaling up by 2030, and our hiring opportunities.

Whether you want to optimize your operations or simply learn more about our technologies,

Come and visit us at our booth!

📍 Location: **in Bordeaux at Palais 2 l'Atlantique / Stand C 0306**

📅 Dates: **from 7 to 9 October 2026**

✉ Make an appointment now: contact@721-stratos.com
or stop by our booth.

See you soon at the fair!
